Your child is the nucleus of our microcosm

We exist because your child does. Each student that enters the portal of our institution is unique. To ensure that your child is able to reach the pinnacle of potential, all our efforts are planned to be child-centric. Broadly, our spectrum of student-focussed efforts are shown here.

The 'future-ready' school

The past two years have brought about a paradigm shift in the way education was being disseminated. The world of education had to reinvent itself to ensure continuity in education. At DPS Muzaffarpur we have adopted and adapted the latest visual technologies to deliver lessons to our student community seamlessly.

With child centric and holistic developmental approach our curriculum is designed to transact age appropriately instruction, keeping in mind the developmental goals and educational objectives of each class. In addition to the emphasis on literacy and numeracy we focus on the 21st Century skills and competencies.

The 5 Essentials of education at DPS Muzaffarpur

Assimilated in our curriculum are the five essential blocks of learning which is an integral part of teaching-learning process. These 5Es form the foundation of our pedagogical approach to education.

Engage students in activity based interactive processes and medium to inculcate real-time understanding

Allow students to freely explore avenues of knowledge from offline and online resources

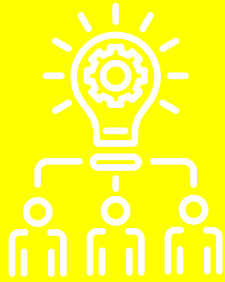

Allow students to expand their aural, visual and socio-cultural sensory perceptions by exposing them to real world situations, surroundings and textures

Encourage each child to express his/her thoughts through channels of expression like visual and performing art

Nurture confidence in children so that excelling at all curricular and co-curricular assignments and engagements becomes a life-long habit.

Our Faculty–In a constant state of **EVOLUTION**

TEACHERS AS LEARNERS

The DPS Society believes that their community of teachers remain students for life. Thus, our teachers are constantly engaged in workshops, seminars and skill-upliftment programmes to broaden their horizons so that they are continuously upgrading and raising the bar of paedagogical process at DPS Muzaffarpur.

TEACHERS AS PROFESSIONALS

Lead by an extremely dynamic and technology-savvy Head of School, our teachers are encouraged to explore different facets of professional development and classroom practices.

TEACHERS AS MENTORS

Helping a student progress on the journey of learning is the foundation of our teaching philosophy. Our teachers nurture their in making informed choices, assess their aptitudes and help them in setting outcomes.

Our Parent Community– **PARTNERS** in progress

We, at DPS Muzaffarpur, firmly believe that the child is the fulcrum for parents and school and binds us in a covenant for ensuring his/her holistic development. We promise that parents will be fully engaged in the process and their voices and opinions will be valued. Parents can look forward to orientation programmes, workshops on parenting, seminars and lectures by renowned experts and PTA meetings. To ensure the desired progress of our precious children, parents need to be fully engaged in the learning process and we will definitely help you get there.
